INDEPENDENT AUDITORS' REPORT

To the Directors of Sierra Club of British Columbia Foundation

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Sierra Club of British Columbia Foundation (the "Entity"), which comprise:

- the statement of financial position as at December 31, 2021
- the statement of operations and changes in fund balances for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements, present fairly, in all material respects, the financial position of the Entity as at December 31, 2021, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report and includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, the accounting policies applied in preparing and presenting the financial statements in accordance with Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

Notes to Financial Statements

Year ended December 31, 2021

The Sierra Club of British Columbia Foundation (the "Foundation") is registered under the Societies Act of British Columbia and is a registered charity under the Income Tax Act. The purpose of the Foundation is to encourage exploration and preservation of the earth's ecosystems; to promote public awareness of natural values; to promote research on natural resource usage and preservation; and to conduct education in order to protect these resources.

1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

(a) Fund accounting:

The Foundation records its activities in the following funds:

Operating Fund:

The Operating Fund accounts for the Foundation's general operations and administration. This fund reports unrestricted donations and grants and administration fees.

Special Purpose Fund:

The Special Purpose Fund accounts for program delivery of the Foundation.

(b) Revenue recognition:

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are deferred and recognized as revenue in the appropriate fund in the year in which the related expenses are incurred.

Unrestricted contributions are recognized as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted contributions for the purchase of capital assets that will be amortized are deferred and recognized as revenue on the same basis as the amortization expense related to the acquired capital assets.

Donated materials and services are recognized in the financial statements when a fair value can be reasonably established, when the materials and services are used in the normal course of operations and would otherwise have been purchased.

(c) Cash and cash equivalents:

Cash and cash equivalents include short-term investments with original maturities of three months or less.

Notes to Financial Statements

Year ended December 31, 2021

1. Significant accounting policies (continued):

(d) Capital assets:

Purchased capital assets are stated at cost. Contributed capital assets are recorded at fair value at the date of contribution.

Rates and the basis of amortization applied to write off the cost less estimated salvage value of capital assets over their estimated lives are as follows:

Asset

Computer equipment - general Computer equipment - server Computer software 55% declining balance 10 years straight line 45% declining balance or 3 years straight line

When a capital asset no longer has any long-term service potential to the Foundation, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations.

(e) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions which affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

(f) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Investments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Notes to Financial Statements

Year ended December 31, 2021

1. Significant accounting policies (continued):

(f) Financial instruments (continued):

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

2. Capital assets:

Cost	Accumulated amortization		Net book value	
90,070 24,123	\$	64,268 24,123	\$	25,802 -
114,193	\$	88,391	\$	25,802
	90,070 24,123	90,070 \$ 24,123	90,070 \$ 64,268 24,123 24,123	90,070 \$ 64,268 \$ 24,123 24,123

December 31, 2020		Cost	umulated ortization	Net book value
Computer equipment Computer software	\$	82,342 29,439	\$ 42,881 25,778	\$ 39,461 3,661
	\$	111,781	\$ 68,659	\$ 43,122

Notes to Financial Statements

Year ended December 31, 2021

3. Deferred revenue:

Deferred revenue comprises externally restricted contributions received in the current year or a prior year which will be recognized as revenue when the related expenses are incurred.

	2021	2020
Deferred revenue, beginning of year Amounts recognized as revenue in the year Amounts received during the year	\$ 826,680 (1,552,681) 1,580,014	\$ 384,627 (1,470,848) 1,912,901
Deferred revenue, end of year	\$ 854,013	\$ 826,680

Of the deferred revenue amounts received within the Special Purpose Fund, \$285,342 (2020 - \$341,398) relate to administration fees on grants recognized in the Operating Fund as described in note 8. The deferred revenue balance within the Special Purpose Fund as at December 31, 2021 included Community Gaming grants of \$125,977 (2020 - \$117,975), and restricted contributions from private foundations and donors of \$728,036 (2020 - \$708,705).

4. Deferred capital contributions:

During 2019 the Foundation received \$60,000 in restricted contributions to be used towards the acquisition of information technology assets and other system improvements. Of the amounts received \$35,833 (2020 - \$34,108) has been spent on information technology assets and \$24,167 has been spent on information technology system improvements which were not capitalized.

	2021	2020
Balance, beginning of year Amounts amortized to revenue Amounts recognized in revenue	\$ 41,435 (7,135) (24,167)	\$ 56,042 (14,607)
Balance, end of year	\$ 10,133	\$ 41,435

Notes to Financial Statements

Year ended December 31, 2021

5. Charitable activities carried out under agency agreements:

The Foundation has agency agreements with various organizations to carry out joint initiatives that further the Foundations objectives. Administration fees are charged on cash received that is to be paid out in accordance with agency agreements. See note 8.

6. Financial risks and concentration of credit risk:

(a) Foreign currency risk

The Foundation occasionally receives monetary donations and grants denominated in US dollars. The Canadian equivalent upon conversion of these US dollar contributions is subject to foreign exchange risk. The Foundation held US dollar cash and cash equivalents valued at \$2,562 CAD as at December 31, 2021 (2020 - \$1,322 CAD).

(b) Credit risk

Credit risk is the risk that a third party to a financial instrument might fail to meet its obligations under the terms of the financial instrument. For cash and receivables the Foundation's credit risk is limited to the carrying value on the statement of financial position.

The Foundation manages the risk associated with the concentration of credit risk through its policy of dealing with credit worthy financial institutions.

It is management's opinion that the Foundation is not exposed to significant interest or liquidity risks arising from its financial instruments.

7. Commitments:

The Foundation is committed under an operating lease agreement for office equipment until November 2024. Future minimum lease payments under the lease are as follows:

2022 2023 2024	\$ 2,805 2,805 2,805
Total	\$ 8,415

Notes to Financial Statements

Year ended December 31, 2021

8. Interfund transfers and internal restrictions:

The Foundation's internal policy for the treatment of administration fees and interfund transfers as follows:

- The portion of externally restricted grants restricted for use towards program delivery is recognized as revenue within the Special Purpose Fund, and the portion agreed by the funder to be used for general operations and administration costs is recognized as revenue within the Operating Fund. Administration fees related to Special Purpose Fund grants recognized in the Operating Fund during the year were \$285,342 (2020 - \$341,398).
- During the year, \$15,024 in administration fees related to Special Purpose Fund donations
 were transferred to the Operating Fund (2020 \$17,771). An offsetting interfund transfer is
 made from the Operating Fund back to the Special Purpose Fund as needed to recover the
 full cost of program delivery. In the prior year, the Operating Fund transferred \$101,660 to the
 Special Purpose Fund to supplement the full cost of certain program delivery. No such entry
 was required in 2021.
- During the year, \$26,536 in administration fees related to external agent contracts of service were transferred from the Special Purpose Fund to the Operating Fund (2020 - \$23,886).
- No allocation of core operating costs (accounting, human resources, information technology services, communications and shared office expenses) is made to the Special Purpose Fund expenses.

On January 23, 2020, the Foundation Board of Directors approved a motion to internally restrict \$106,008 of the December 31, 2019 unrestricted operating fund balance for information technology upgrades. During 2021, information technology investments were made totalling \$23,028.

9. Director, employee and contractor remuneration:

The BC Societies Act requires disclosure in the financial statements of the remuneration of directors, employees and contractors. For employee and contractor remuneration the requirement is to disclose amounts paid to individuals whose remuneration was greater than \$75,000.

There were two employees of the Foundation paid remuneration of \$173,358 for the fiscal year ending December 31, 2021 (2020 - one employee paid \$89,501).

There were no remuneration payments made to directors in 2021 or 2020.

10. Comparative information:

Certain 2020 comparative information has been reclassified to conform to the presentation adopted in the current year.
